

On behalf of Victorian kids in need

Thank You

Variety – the Children's Charity Victoria thanks

Melbourne Container Transport

For your help to make over 5,000 Victorian children smile
at the **Variety Children's Christmas Party 2014**

*The annual Variety Children's Christmas party is especially for children
who are sick, disadvantaged or have special needs.*

*In 2014 we welcomed 5,000 children. The Christmas Party gives these special children
the opportunity to experience something many of us take for granted – a Christmas
Party that gives a break from the stresses and strains of everyday life, unconditional
acceptance and surrounded by family and friends.*
